SECTION II - INSTRUCTION TO BIDDERS

Name of Project: Tanzania-Zambia Transmission Interconnector Project (P163752),
Grant No.: D350 - Technical Assistance to Eastern Africa Power Pool
Reference No: ET-EAPP-147203-GO-RFQ, Supply and Installation of a Standby Generator

The EAPP is a regional institution established in 2005 to coordinate grid interconnection and
cross-border power trade among nations of the Eastern Africa region. It has 11 member countries
and the headquarters are located in Addis Ababa, Ethiopia.

The EAPP has received a grant from International Development Association (IDA Grant: D350
- Technical Assistance to EAPP), and intends to apply part of the proceeds toward payments
under the contract for Supply and Installation of a Standby Generator.

Procurement under this RFQ will be carried out in accordance with the World Bank’s
‘Procurement Regulations for IPF Borrowers’ (Procurement Regulations), dated July
2016, revised November 2017, under the ‘New Procurement Framework’. These Guidelines
place emphasis on obtaining a high quality service through ensuring economy and efficiency,
providing equal opportunity for qualified consultants and suppliers and creating transparency in
the selection process.

The EAPP therefore wishes to float this RFQ with stipulations as highlighted below:

1. You are requested to quote for these items by completing, signing and returning:
   a) the List of Goods and Price Schedule
